24in SATA to Right Angle SATA Serial ATA Cable

StarTech ID: SATA24RA1

The SATA24RA1 Right Angle (90-degree) SATA Cable features a standard (straight) SATA receptacle as well as a right-angled SATA receptacle, providing a simple 24-inch connection to a Serial ATA drive, with full SATA 3.0 bandwidth support of up to 6Gbps when used with SATA 3.0 compliant drives.

The right-angled SATA connection enables you to plug in your Serial ATA hard drive in hard to reach areas or tight spaces, while the low profile and flexible design of the cable improves airflow and reduces clutter in your computer case, helping to keep the case clean and cool.

Constructed of only top quality materials and designed for optimum performance and reliability this 24" SATA cable is backed by our lifetime warranty.

As an alternative, StarTech.com also offers an 24in Left Angle SATA cable (SATA24LA1), which provides the same simple installation as this right angled SATA cable, but allows the cable to connect to the SATA drive from the opposite direction.

Applications

- Installing Serial ATA hard drives, and DVD drives in Small Form Factor computer cases
- Server and storage subsystem applications
- High-end workstation drive installations
- Connections to SATA Drive Arrays

Features

- 1x SATA connector
- 1x Right-angled/90-degree SATA connector
- Supports full SATA 3.0 6Gbps bandwidth
- Provides 24" in cable length
- Compatible with both 3.5" and 2.5" SATA hard drives

Technical Specifications

Warranty	Lifetime
Cable Jacket Type	PVC - Polyvinyl Chloride
Connector A	1 - SATA (7 pin; Data) Receptacle
Connector B	1 - SATA (7 pin; Data) Receptacle
Type and Rate	SATA III (6 Gbps)
Color	Red
Connector Style	Straight to Right Angle
Cable Length	24 in [609.6 mm]
Product Weight	0 lb [0 kg]
Shipping (Package) Weight	0 lb [0 kg]
Included in Package	1 - 24in SATA to Right Angle SATA Serial ATA Cable

Certifications, Reports and Compatibility

RoHS Compliant
