imPORT Dock

Mobile OTG Dock, 3-Port USB 2.0 Hub, 42-in-1 Card Reader/Writer, 5V DC / 1.5A Charger
Part No.: 406246

Make your mobile device a portable workstation.
Boost your mobile productivity with the Manhattan imPORT Dock. Created with the student, business traveler or avid mobile device user in mind, this multipurpose dock turns your smartphone or tablet into a powerful mobile workstation with a sturdy stand for your smartphone or tablet, inputs for up to three USB 2.0 devices and ports for a variety of popular memory card formats.

The imPORT Dock connects quickly and easily to the Micro-USB port on your OTG compatible smartphone or tablet. Once docked, you can connect up to three USB devices, such as a thumb drive or external hard drive, a keyboard, a mouse (including most wireless mice), a printer or other peripherals. Plus, it has a data card ports so your device can read and write to a SD card, MMC card, Compact Flash card or microSD card.

The imPORT Dock has a sturdy, lightweight design and durable PVC jacketed connector cable makes it an ideal all-in-one solution for work, school, traveling and much more.

Is My Smartphone or Tablet OTG Compatible?
The best and easiest way to find out is to install USB OTG Checker, a free Android app that can quickly determine whether your device supports USB OTG. To download the app, please follow this link:
