

Antec

ONE GAMING SERIES

ENCLOSURES

THE ONE FOR ALL

For new builders and seasonal system integrators alike, everyone will find something to like in Antec's One. This enclosure is stocked with features any builder will value at an attractive price – ample cooling, USB 3.0, tool-less 5.25" & 3.5" drive bays and bottom-mounted PSU intake with air filter – so that you can put your PC together with ease and get to the fun stuff. If you're looking for high quality PC essentials at an affordable cost, then this enclosure is the One for you.
