

20in Slimline SATA Male to SATA with LP4 Power Cable Adapter

StarTech ID: SLSATAM20

StarTech.com's Slimline SATA Male to SATA with LP4 Power Cable Adapter features one SATA (7-pin) female data connection and one LP4 power connection on one end, and a slimline Serial ATA male connection on the other - allowing you to connect a drive with a female slimline SATA port to a computer motherboard that does not have a slimline connection available.

Supporting full SATA 2.0 data transfer speeds of up to 300 MBps and a new and improved architecture, this innovative adapter cable provides you with the connections needed to simplify the migration to slimline SATA equipped drives.
