3 ft HD15 to Component RCA Breakout Cable Adapter - M/M

StarTech ID: HD15CPNTMM3

This 3ft HD15 to Component RCA Breakout Cable Adapter features a male VGA (HD15) connector and male component video connectors, allowing you to connect a VGA output (video card, etc.) to a display/monitor that uses Component video input.

Constructed of only top quality materials and expertly designed for reliable performance, the HD15 to Component RCA breakout cable adapter is backed by StarTech.com's Lifetime Warranty.

NOTE: This cable requires a video converter or output device that can process a YPbPr signal through an HD15 (VGA) port.
