

## 180° Rotating High Speed HDMI® Adapter - M/F

StarTech ID: *HDMIROTADAP*

The HDMIROTADAP High Speed HDMI® Swivel Adapter is a perfect solution for making HDMI A/V connections, even in tight spaces.

The swivel adapter can be attached to the HDMI connector(s) on the cable end(s), allowing the connector to be positioned at 90-degree angles to the shaft of the cable, creating a snug connection that requires minimal space while minimizing cable strain.

### Applications

- Creating a reliable connection to HDMI®-enabled devices, even in tight spaces - reducing cable strain and minimizing installation space

### Features

- Gold-plated HDMI® connectors increase conductivity
- Rotates up to 180°
- Supports resolutions up to 1080p

**Technical Specifications**
