

Hi-Res 25ft SVGA Cable HDB15 M/M

Ingram: K65959

Cables Unlimited: PCM-2230-25B

UPC: 724580272663

DESCRIPTION:

Our premium SVGA monitor cables are ideal for connecting your high-resolution monitor to your PC. Constructed from high quality UL 2919 certified double-shielded 28AWG coaxial conductors for the RGB signals as well as 28AWG for the H-sync signal, both for maximum durability. These cables feature superior signal integrity design for minimal signal distortion, loss and ghosting.

FEATURES:

- Constructed of premium double-shielded video cable
- Thumbscrews for easy connecting
- Three internal coax cables for red, green and blue
- Ferrites protect against EMI/RFI interference
- Combined cable runs to 100' without a booster.

SPECIFICATIONS:

- Cable Length: 25 ft.
- Cable Type: SVGA
- Port Connectors: 2 x HDB15 Male
- External Color: Black
- Limited Warranty: Lifetime
