

Travel A/V adapter: 2-in-1 DisplayPort to HDMI or VGA

StarTech ID: DP2HDVGA

This DisplayPort to HDMI + VGA travel adapter lets you connect your DP enabled Ultrabook™ or laptop computer to any VGA or HDMI® display.

## Connect to almost any display using a single adapter

Why keep several adapters when you only need one? With this single DisplayPort tor VGA and HDMI adapter you can rest assured that your computer can interface with any modern boardroom or classroom display. It's the ideal plug-and-play solution for BYOD (Bring Your Own Device) applications at the office.

Plus, because the converter supports video resolutions up to 1920x1200 or 1080p, you can convert your DisplayPort video source to HDMI or VGA without sacrificing video quality.

# **Enjoy maximum portability**

The travel A/V adapter maximizes portability with a small footprint and lightweight design. This convenient construction ensures the adapter is as portable as your laptop, fitting easily into your laptop bag or carrying case and eliminates the need to carry more than one adapter.

With this adapter you can walk into virtually any boardroom ready to present, making a great first impression and saving you the embarrassment of having to rummage through your bag looking for the right connector. Plus, the 2-in-1 converter installs easily with no software or drivers required.

The StarTech.com DP2HDVGA is backed by a 2-year StarTech.com warranty and free lifetime technical support.

## **Applications**

- Keep the adapter with you while traveling to connect to virtually any display
- Connect your BYOD laptop/Ultrabook to an HDMI or VGA display at work
- Connect a VGA or HDMI display to your DisplayPort laptop, to use as a secondary monitor

#### **Features**

- 2-in-1 adapter lets you connect your DP computer to any HDMI or VGA display with a single adapter
- Maximize portability with a compact, lightweight adapter that you can easily carry in your laptop bag
- Supports video resolutions up to 1920x1200 or 1080p
- Plug-and-play installation
- No power adapter required
