

12U Adjustable Depth Open Frame 4 Post Server Rack w/ Casters / Levelers and Cable Management Hooks

StarTech ID: 4POSTRACK12U

The 4POSTRACK12U 12U Server Rack lets you store your servers, network and telecommunications equipment in a sturdy, adjustable depth open-frame rack.

Designed with ease of use in mind, this 12U rack offers easy-to-read markings for both rack units (U) and depth, with a wide range of mounting depth adjustments (22 - 40in) that make it easy to adapt the rack to fit your equipment.

This durable 4-post rack supports a static loading capacity of up to 1200lbs (544kg), and offers compliance with several industry rack standards (EIA/ECA-310, IEC 60297, DIN 41494) for a universal design that's compatible with most rack equipment.

For a complete server storage solution that saves you time and hassle, the rack includes optional accessories such as casters, leveling feet and cable management hooks. The base is also pre-drilled for securely fastening the rack to the floor if needed, providing you with additional stability to better suit your server environment.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- Durable storage for rackmount servers, KVM switches, and networking equipment
- Suitable for rackmount equipment where security at the rack level is not required
- Rack-mounting A/V equipment in a radio or television studio

Features

- 12U Open frame design
- Adjustable mounting depth from 22 - 40in
- Supports a static loading capacity of 1200lbs (544kg)
- Easy-to-read rack Unit (U) and depth adjustment markings
- Casters, leveling feet and cable management hooks included
- Pre-drilled holes to secure the rack directly to the floor
- Easy to assemble
- Flat-packed for easy shipping
