

18in 1 Port SATA to eSATA Plate Adapter

StarTech ID: ESATAPLT18IN

The ESATAPLT18IN 18-inch 1-port SATA to eSATA plate adapter adds external data support using an existing motherboard Serial ATA controller. Simply mount the plate to the rear panel of your computer case as an extension of the motherboard SATA data connector, in order to add a port for connecting external SATA storage devices (e.g. external eSATA hard drive).

Designed to take advantage of the increased data integrity provided by external hard drives or RAID devices that support eSATA connections, the eSATA-SATA adapter supports data transfer rates of up to 6Gbps and is backed by StarTech.com's Lifetime Warranty.

Applications

Add an external SATA (eSATA) port to your desktop computer

Features

Supports full SATA 3.0 6Gbps bandwidth

Technical Specifications

Warranty Lifetime

Cable Jacket Type PVC - Polyvinyl Chloride
Connector A 1 - eSATA (7 pin; Data) Plug
