

Attaché

Attaché provides the ultimate mobile storage solution for people on the go. Working on a presentation and need to take it with you? Want to share a new song, pictures, or video with your friends? Simply copy the file onto Attaché and take it with you.

Put it in your pocket, wear it, put it in your backpack or briefcase and you're good to go. To access your data, simply plug Attaché into virtually any PC or MAC -- without the need for bulky cables or adapters.

High performance, low power consumption and non-volatile flash memory, makes Attaché drives more durable than other storage devices.
