Convenient, Secure Portable Storage

Loaded with advanced security features, the Lexar® JumpDrive® S70 USB flash drive provides convenient, reliable portable storage for life on the go. This Hi-Speed USB drive with retractable connector and convenient thumb slide provides an excellent solution for safely storing, transferring, and sharing your valuable files, photos, videos, and more. The Lexar JumpDrive S70 USB flash drive is available in a wide range of capacities from 4GB to 64GB.

Stylish, Reliable Solution

Advanced Security Software to Protect Your Data. The JumpDrive S70 USB flash drive comes pre-loaded with advanced security software that lets you protect your data securely, quickly, and easily. You can create multiple password-protected areas called Encrypted Vaults that automatically encrypt your data with on-the-fly 256-bit AES encryption. And for peace of mind, the security software includes a File Shredder feature that lets you securely and thoroughly delete files so they can't be recovered.

Plug-and-Play Design with Great Features and Stylish Color

Options. The JumpDrive S70 USB flash drive has a simple plug-and-play design that allows you to quickly and easily store files, so wherever you go, your information goes with you. The drive also sports an LED activity light that blinks during data transfer, so you know when the job is done and data loss is averted. What's more, the JumpDrive S70 USB flash drive comes in an assortment of colors and a wide range of capacities, so it's easy to find one that suits your needs and reflects your personality.

Lexar Performance, Quality, Compatibility, and Reliability. All Lexar memory card, card reader, and USB flash drive product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 800 digital devices, to ensure performance, quality, compatibility, and reliability. This provides customers with a high level of confidence when using Lexar products to capture, manage, move, and store the memories that matter.

Lexar offers a comprehensive line of innovative, award-winning memory products in several categories, including memory cards, card readers, DRAM, USB flash drives, and portable backup drives. With so many options, it's easy to find the right Lexar solution to fit your needs.

Lexar. When Memory Matters.™

Security safeguards, by their nature, are capable of circumvention. Lexar does not guarantee data will be 100% secure from unauthorized access, alteration, or destruction.

Some of the listed storage capacity is used for formatting and other purposes and is not available for data storage. 1GB equals 1 billion bytes. For more information, go to www.lexar.com/capacity.
