

## Multimedia Keyboard

USB, Black

Part No.: **178723**

---

With a slick, ergonomic shape and 12 hotkeys that take you directly to music, video clips, the Internet and more, the Manhattan Multimedia Keyboard is an ideal companion for your desktop or laptop computer. Super-responsive low-force keys provide great tactile feedback and help make typing quieter and less stressful on the fingertips. An adjustable tilt mechanism offers a variety of typing positions for comfort or productivity. Durable key switches, and its spill-resistant\* design prevents damage from minor accidents.

\* Do not immerse keyboard in liquid.
