Media Suite

Classrooms

Interact with your students using your PC from anywhere in the classroom. The Rechargeable Media Suite is a smart choice for teachers who combine desktop computing with PowerPoint® lectures and streaming media presentations.

Meeting Rooms

Control your meeting room PC from up to 100' away to drive PowerPoint® presentations, run video conferencing sessions, stream multimedia content and host document review meetings.

Home Theater

Control your home theater PC from your tabletop with the Rechargeable Media Suite. Stream music, run movies and browse the Internet all from the comfort of your couch.

Applications

- Home media centers
- Presentations
- Meeting rooms
