SMK-Link Electronics
VersaPoint® Rechargeable Wireless

Navigator Suite

Meeting Rooms

Control your meeting room PC from up to 100' away to drive PowerPoint® presentations, run video conferencing sessions, stream multimedia content and host document review meetings.

Classrooms

Interact with your students using your PC from anywhere in the classroom. The Wireless Navigator Suite is a smart choice for teachers who combine desktop computing with PowerPoint® lectures and streaming media presentations.

Professional Speakers

The VersaPoint® Presentation Suite is an ideal choice for public speaking venues and professional presenters. Its Rechargeable Media Keyboard and award-winning RemotePoint® Emerald Presentation Remote allow total control of PC-driven presentations and media from up to 100' away.
