DuraKey™ Industiral and
# Medical Grade Keyboard and Mouse

Washable and Submersible

The DuraKey™ Industrial and Medical Grade Keyboard is sealed to dust and liquids. Rated IP68, the keyboard is washable and fully submersible. The DuraKey™ Wireless Mouse (rated IP65) is dust and water resistant and can be cleaned with a damp cloth.

High Grade Silicone Coating

Both the DuraKey™ Industrial and Medical Grade Keyboard and Wireless Mouse feature a high-grade silicone non-slip coating-- making them easy to use, simple to clean and ideal for use in outdoor or damp environments.

Keyboard Backlighting

For darkened environments or night computing in hospitals, clinics, outdoor sites, boats or field service vehicles, the backlit DuraKey™ Industiral and Medical Grade Keyboard is an ideal choice. Keyboard backlighting is fully adjustable.
