### IN TOUCH WITH YOUR BUSINESS NEEDS

The LG T10 Series Monitors are fast, durable and accurate touch displays that work in a variety of commercial applications. From POS systems to cashiers to control systems, the T10 provides a highly responsive and precise interface that responds to either your finger or a stylus pen. And with 1280x1024 native resolution, its panel displays bright and clear for quick recognition of on screen images. Available in 17" and 19" class sizes, the T10 Series can be a reliable touch interface to handle the demands of your business.
