The Ultimate Touch Experience

CONVENIENT FOR TOUCH USE
With the ergonomic folding stand, the monitor can be used in various angles which are highly convenient for touch use.

EASY CONNECTION
With only USB cable plugged in, the touch screen can be used. No extra installation of software required.

IPS DISPLAY
Super In Plane Switching or IPS controls the liquid crystal display to help keep distortion at a minimum and allows users to view images on the screen at virtually any angle.

IPS
LifeLike Color Expression

10 POINT TOUCH
LG Touch10 Monitors provide new screens that can track up and respond to 10 simultaneous points allowing various multi-finger gestures.

10 Point TOUCH

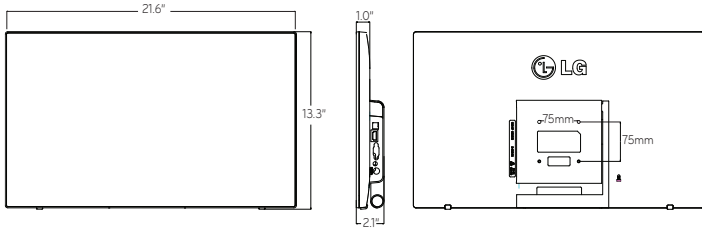

TOUCH WITH WINDOWS 8
Compatible with Windows 8 10 point touch technology. LG IPS Touch 10 Monitor delivers a new level of entertainment on various Windows 8 applications.
