

V7 LED185W2S-9N

19" Class (18.5" Viewable) - Widescreen LED

The V7 19" Class (18.5" vis) LED monitor provides superior image quality with vivid colors and lifelike images. The LED backlight technology saves you up to 40% energy and yields blacker blacks, pure white and more clearly defined grays for a vivid picture making it the perfect choice for home or office. Key specifications include: 1366x768 HD resolution, 16:9 aspect ratio, 200 nits brightness, reduced blur with 5 ms response time and customized picture settings to fit your needs. The LED185W2S-9N reduces clutter and provides more desk space while sitting in a black glossy bezel weighing 5.15 pounds and panel measuring only 2 inches deep. The widescreen monitor is easily wall mountable and provides a tremendous price to performance value.

Features & Benefits:
