

V7 LED185W2R-8N

19" Class (18.5" VIS) - Widescreen LED Monitor

The V7 19" Class (18.5" vis) LED Monitor provides superior image quality with vivid colors and lifelike images. The LED backlight technology saves you up to 40% energy and yields blacker blacks, pure white and more clearly defined grays for a vivid picture making it the perfect choice for home or office. Get deeper blacks, brighter whites and subtle colors with a 1366x768 HD resolution, 16:09 aspect ratio, 1000:1 contrast ratio, 250 cd/m2 brightness, and many customizing settings to fit your needs. Reduce blur with a 5 ms On/Off response time. The LED185W1-8N reduces clutter and provides more desk space while sitting in a black glossy bezel weighing 4.4 pounds and measuring only 5 inches deep with the stand. The widescreen monitor is easily wall mountable and provides a tremendous value when looking for an LED widescreen monitor.
