

22" CLASS (21.5" VIEWABLE) - 1080 FULL HD WIDESCREEN LED MONITOR

The V7 22" Class (21.5" viewable) Full HD LED Monitor, provides superior image quality with vivid colors and life-like images. V7 LED backlight technology saves up to 40% energy and yields blacker blacks, pure white and more clearly defined grays for a vivid picture making it the perfect choice for home or office use. With vivid colors with a 1920x1080 Full HD resolution, 16:09 aspect ratio, 1,000,000:1 contrast ratio, 200 nits brightness, and many customizable settings to fit your needs. The L21500WDS provides for more desk space with its small desktop footprint, and looks great with a black glossy bezel. The widescreen monitor is easily wall mountable and with both a VGA and DVI-D output you are sure to enjoy the highest resolution possible. The V7 LED monitor comes fully equipped with built-in on-board speakers for the complete audio- video experience.

Key Features:

- 1920 x 1080 Full HD Experience
- Powerful built-in speakers
- Life-like detail and definition with 1,000,000 : 1 dynamic contrast ratio
- Rich and vibrant visuals with 16.7 million colors
- Small desktop footprint with stylish slim-bezel design
