

Logitech® QuickCam® Communicate Deluxe

High-performance desktop webcam for sharp, vivid images and high-quality audio

- 1.3 megapixel sensor for up to 5 MP quality images
- Privacy shade launches your preferred IM client
- RightLight™ 2 technology provides the best possible images regardless of lighting
- Integrated mic with RightSound™ technology ensures echo-free audio
- Personalise your video conversations with Logitech Video Effects
- Universal clip
- Windows® 2000, XP or Windows Vista™; USB connection
- Documentation in English
- 2-year guarantee
- Full product support

Logitech® QuickCam® Communicate Deluxe delivers a superior video calling experience in any light. The 1.3MP sensor and glass lens provide sharp, vibrant video, while RightLight 2 ensures great looking images—even when the lighting is dim, back or poor. RightSound technology's echo-cancellation and noise reduction ensure crystal-clear, natural conversations—you'll think friends and family are there with you. For more fun, use Logitech Video Effects to personalise your video calls with a range of filters and face accessories, plus avatars that mirror your expressions and motion. USB connection for Windows® 2000, XP or Windows Vista™. 2-year guarantee & full product support.
