OPTIMIZED FOR
Microsoft® Lync™

Microsoft® LifeCam HD-6000 for Notebooks

Fast call setup. Super-sharp HD video. On the Go.

Your customers want every meeting to be as productive as possible. With this high-quality webcam—offering widescreen video, Auto Focus and vivid color and clarity - remote participants will feel like they're right in your customer's conference room! Plus, Microsoft® Lync makes call setup with contacts inside and outside the enterprise easy.

Features

True 720p HD video

720p sensor records widescreen HD-quality video at up to 30 fps.

Auto Focus

Stay in focus at any distance.¹

Notebook design with 360-degree rotation

Compact design rotates 180 degrees in both directions for an all-around view.

Includes protective carrying case

3-year limited hardware warranty²

Optimized for Microsoft Lync

To quickly initiate video calls within or outside the company.
