

**33'**  
RANGE

## Wireless Stereo Headphones

Listen to hi-quality music comfortably  
and wirelessly

Works with iPhone, iPad, iPod, Smartphones, Tablets, PC or Mac laptops,  
Skype, Yahoo Messenger, Windows Live Messenger, Gmail and AIM

**Overview:**

The Aluratek Bluetooth Wireless Stereo Headphones delivers hands-free convenience and superb hi-fidelity stereo sound wirelessly. Stream your favorite tunes and listen to audio from your Smartphone, Tablet, PC or Mac laptop. Connect with friends and colleagues thru Skype, Yahoo Messenger, Windows Live Messenger, Gmail and AIM with the integrated microphone. Easily switch between phone calls and music with the touch of a button.

Wirelessly roam up to 33 feet away from your paired Bluetooth device. ABH02F features Bluetooth v2.1 + EDR and support for A2DP (Advanced Audio Distribution Profile) which enables the stereo audio wireless link between your Bluetooth devices (remembers up to six paired devices) for the best possible audio quality. The built-in lithium ion rechargeable battery provides up to 12 hours of continuous talk and listening.

**BLUETOOTH DEVICES**

With hands-free convenience and superb hi-fidelity stereo sound, wirelessly stream your favorite tunes and listen to audio from your Smartphone, Tablet, PC or Mac laptop.

Connect with friends and colleagues thru Skype, Yahoo Messenger, Windows Live Messenger, Gmail and AIM with the integrated microphone.

**HANDS FREE TALKING**

Features hands free support for wireless music and phone calls. Your earbuds will alert you to an incoming call. Simply press the power button on your headset to answer the call. Your music will automatically pause and resume once the call has ended.

The small built-in mic ensures crystal-clear conversations.

**RECHARGEABLE BATTERY**

Features a built-in Lithium-ion rechargeable battery for up to 8 hours of continuous talk and music play and up to 240 hours of standby time on a full charge to free you from the hassle of frequent battery recharges.

The battery charges via a USB port on your computer (cable included).

**ON DEVICE CONTROLS**

Features simple on-ear controls. Easy to reach buttons makes it easy to change music tracks, adjust the volume and answer phone calls.

**DESIGNED FOR COMFORT**

Features large, cushioned ear cups and a comfortable around the ear headband for comfort and luxury.

**Package Contents:**

Bluetooth Wireless Stereo Headphones, USB Charging Cable, Quick Start Guide, Registration / Warranty Card

**Requirements:**

• Any phone or device supporting the Bluetooth stereo (A2DP) protocol, Headset (HSP), Hands Free (HEP)
