

Built for gaming enthusiasts and audiophiles alike, the CM Storm Sirus S 5.1 Surround Sound Headset creates an immersive experience with hi-fidelity soundscapes and intense bass. Sirus S produces precise and crisp sounds through its 4 discrete speaker channel pairs. These consist of Front, Rear, Center, and Sub. These deliver accurate and real-time 360 degree audio. In addition, Sirus S is coupled with a uni-directional microphone with background noise cancellation that enables crystal clear conversations with teammates and enemy combatants.

Features

- True 5.1 Surround Sound
- Uni-directional microphone
- In-line remote with convenient volume control and mic mute switch
