

Quality and performance

When your business demands high levels of performance - without the large price tag - the Samsung CLP-620ND is an ideal option. The Samsung CLP-620ND offers consistently outstanding colour prints and minimises operational costs.

Connect with your colleagues

Connect everyone in your office to one network and keep everything running smoothly. They'll share a common printer and you'll save time from servicing multiple machines. And with the Ethernet interface you can increase your performance by hooking it up to the network. Improve your communication skills with the CLP-620ND laser printer and keep your lines of communication open.

Fed up with paper feeding?

Feel free to multitask while your documents print: the CLP-620ND will crank through even your biggest print jobs without relying on you for a paper refill. Upgrade the standard 350-page capacity cassette with up to 500-page optional cassettes for even larger capacity paper handling, perfect for all of your bulk printing needs. Sometimes, bigger really is better.

Speedy printing from the very first page

Quit spending your life waiting by the printer. The CLP-620ND's first page out time will have your first high-quality print in your hands in as little as 20 seconds. With its rapid 20 page-per-minute print speed and professional-grade resolution, you'll get print shop quality in the convenience of your own office. The only problem? What to do now with all your spare time.
