

**Get creative
and get organized.**

.....
Label. Organize. Enjoy.

The PT-70 is a sleek, fun electronic labelling system. Its handheld, portable design features an easy-to-use Qwerty keyboard and access to 71 symbols for quick, creative labelling. Get organized creatively.

Featuring...

- Add time & date to your labels at the touch of a button!
- Easy-to-view 8-character LCD display
- Qwerty style keyboard
- Prints 1 to 2 lines of crisp text
- 6 type sizes and 9 type styles

PT-70 Electronic Labelling System

P-touch®

Organize your world

User-friendly and fun to use.

Sleek, portable and user friendly, the PT-70 is all about enjoying getting organized. Use it anywhere: Indoors or out, home or office. The PT-70 features an easy-to-view 8-character LCD display and its QWERTY style keyboard has raised keys for more accurate input. Enjoy labelling, but most of all, enjoy getting organized.

A unique feature to get even more organized

Now you can even add time and date information to your label, at the touch of a button. Great for labelling anything from leftovers to smoke alarm batteries to kid's projects.

Get serious about organizing

Use the PT-70's many features to get creative in your labelling. The PT-70 prints on one or two lines, with 6 type sizes and 9 type styles. Get really creative with a choice of 71 symbols. The PT-70 is designed for easy use.

Service and support are part of the package

We are dedicated to comprehensive service and support. We provide a one-year limited warranty backed by our nationwide network of authorized customer-care centres. We also provide machine lifetime toll-free technical support.
