N900 Video and Gaming 4-Port WiFi Adapter

WNCE4004

CONNECTS
4
DEVICES

WI-FI
DUAL BAND

NETGEAR N900 Video and Gaming 4-Port WiFi Adapter makes any wired device a part of your WiFi network. The adapter is optimized for wireless video streaming and is designed to provide the best performance while enjoying HD video entertainment.

- Wirelessly connect up to four (4) devices like Blu-ray™ players, smart TVs, streaming players and game consoles to your network
- Ideal for upgrading your 300 Mbps WiFi devices like PlayStation® 3 and Xbox® 360 to 450 Mbps WiFi performance
- Wirelessly stream multiple 1080p HD videos throughout your home
- Dual-band WiFi eliminates interference, providing greater signal quality and performance for HD video streaming
- Optimized for buffer and glitch-free HD video streaming from Netflix®, Hulu™, Amazon™, VUDU, YouTube and more
- Eliminates the need to place a router next to the home theater center or the need for cables and expensive proprietary USB WiFi adapters

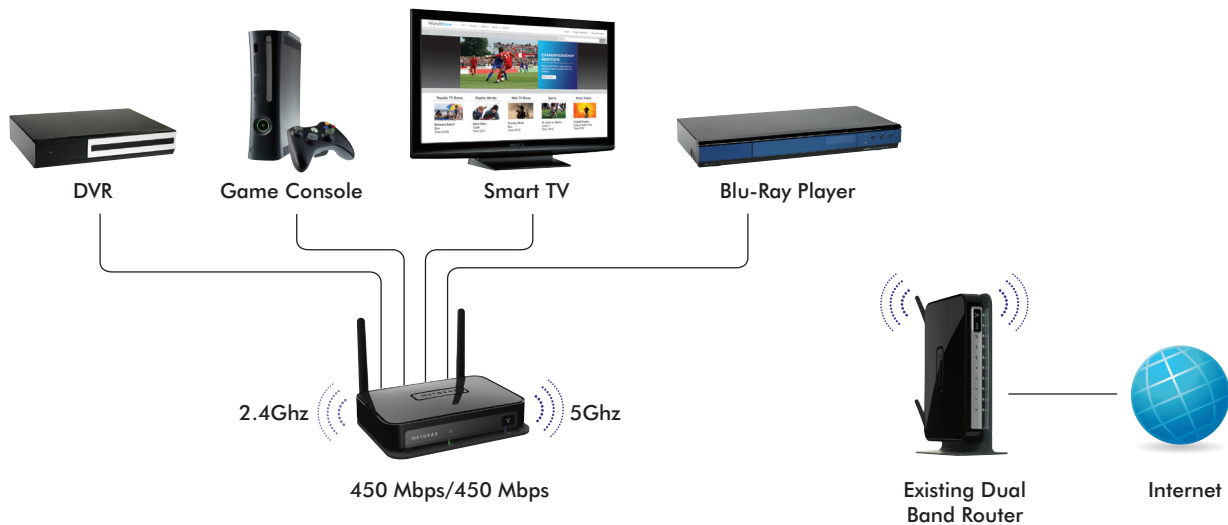

THE NETGEAR DIFFERENCE - WNCE4004

- ✓ Upgrade to N900 WiFi
- ✓ Universal compatibility
- ✓ Dual Band performance
- ✓ CD-less installation
- ✓ Push 'N' Connect

Connects up to four (4) devices
with an Ethernet port to your
wireless home network

Connect up to four (4) Ethernet-enabled devices to your home's wireless network

Package Contents

* Basic technical support provided for 90 days from date of purchase.

† Maximum wireless signal rate derived from IEEE standard 802.11 specifications. Actual data throughput will vary. Network conditions and environmental factors, including volume of network traffic, building materials and construction, and network overhead, lower actual data throughput rate. NETGEAR makes no express or implied representations or warranties about this product's compatibility with any future standards.

¹ Works with devices supporting Wi-Fi Protected Setup® (WPS).
