

SVE11125CXB

The compact VAIO® E Series 11 laptop is full of features such as a large clickable touchpad, HD web camera, and the built-in ports and connectivity you need. You get the performance of the AMD® E2-1800 Accelerated processor plus the features to stay connected, entertained, and effortlessly mobile.

Goes anywhere.

The VAIO® E Series 11 laptop is a beautifully designed compact PC. Featuring the same distinctive wrap design as the larger PCs in the series, it's perfect if you need an easy to carry, stylish laptop for travelling or just need a PC within easy reach to use around the house. The perfect gift for yourself or a family member all wrapped up in a small package.

PlayMemories Home™ software

Uniquely smart and easy-to-use, PlayMemories Home™ software makes organizing, editing and sharing your photos and videos a cinch. Instantly import and sort your content by event or date. Then transform your favorites from ordinary to extraordinary with intuitive adjustments and stunning filters. You can even create heartwarming slide-shows complete with transitions and soundtracks in 3 simple steps. Finally, share your picks privately with family and friends or on popular social networking sites like Facebook® and YouTube™. PlayMemories Online™ service can even securely store your content in the cloud allowing virtually all of your devices to access it anytime, anywhere.

Bold and Bright

Developed by the same people you trust to engineer amazing flat-panel HDTVs, this laptop features exceptional picture quality. The 11.6" (1366 x 768) widescreen display includes an LED backlight that helps ensure a bright display with lower power consumption for improved battery life.

Sony's Media Apps

Experience your content like never before with Sony's Media Apps. We bring together the very best of Sony's state-of-the-art technologies to provide an exceptional experience. You get seamless connectivity across all of your Sony devices to your content. Share and play with your content as you choose. Quick and easy access to content stored locally, on DLNA servers, or from PlayMemories Online.

1. GHz denotes maximum microprocessor internal clock speed and may vary based on application.

4. 1 GB = one billion bytes. Actual formatted capacity will be less.

5. Not all models applicable. Registration required. See www.sony.com/IRSP for details.

6. Allocation of system memory to graphics varies depending on operating condition, version of device driver and total system memory size.

8. For some third party software, Sony provides initial support. Additional support may be available from the applicable vendor. Availability may vary by vendor.

12. Kaspersky Internet Security 30-day subscription is pre-installed on your Sony VAIO PC. You need to activate the software for the product to work. After your 30-days are finished, buy Kaspersky Internet Security to continue to be protected from cybercriminals, identity theft, viruses, and other threats.

Features and specifications subject to change without notice. Non-metric weights and measures are approximate.

Certain Microsoft products included with this computer may use technological measures for copy protection. IN SUCH EVENT, YOU WILL NOT BE ABLE TO USE THE PRODUCT IF YOU DO NOT FULLY COMPLY WITH THE PRODUCT ACTIVATION PROCEDURES. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain re-installations of the software product(s) or reconfigurations of the computer and may be completed by internet or telephone (toll charges may apply).

This product meets the standards of the International Energy Star Program for energy efficiency.
