

SVE14122CXW

The VAIO® E Series 14 laptop is beautifully designed includes a backlit keyboard, large clickable touchpad and HD web camera. Featuring the 3rd generation Intel® Core™ i3 processor and 4GB of memory. Sony's exclusive, free downloadable software, Sony Imagination Studio™ VAIO Edition comprised of Movie Studio Platinum, ACID® Music Studio, Sound Forge® Audio Studio and DVD Architect™ Studio software, allows you to create something worth sharing.

Refined simplicity

The VAIO® E Series 14 laptop is a beautifully designed PC featuring a distinctive wrap design that is sure to turn heads. You will not be disappointed as the interior is as striking as the exterior with a full-size keyboard and large touch pad designed for a comfortable computing experience.

Create something worth sharing

Sony Imagination Studio™ VAIO® Edition includes four powerful Sony applications: Movie Studio Platinum, ACID® Music Studio, Sound Forge® Audio Studio and DVD Architect™ Studio software - so you can create music and movies like never before.

Bold and Bright

Developed by the same people you trust to engineer amazing flat-panel HDTVs, this laptop features exceptional picture quality. The 14" (1366 x 768) widescreen display includes an LED backlight that helps ensure a bright display with lower power consumption for improved battery life.

Sony's Media Apps

Experience your content like never before with Sony's Media Apps. We bring together the very best of Sony's state-of-the-art technologies to provide an exceptional experience. You get seamless connectivity across all of your Sony devices to your content. Share and play with your content as you choose. Quick and easy access to content stored locally, on DLNA servers, or from PlayMemories Online.

Listen up

Integrated stereo speakers utilize the Clear Phase™ and xLOUD™ technologies, which delivers a richer, bolder and louder presence. xLOUD technology enhances speaker volume without sacrificing quality.

Specifications

Sound System	Intel® High Definition Audio with xLOUD™ and Clear Phase™ Technology	Inputs and Outputs				

1. GHz denotes maximum microprocessor internal clock speed and may vary based on application.

3. Available on select Intel® Core™ processors. Requires an Intel® HT Technology-enabled system. Consult your PC manufacturer. Performance will vary depending on the specific hardware and software used. For more information including details on which processors support HT Technology, visit <http://www.intel.com/info/hyperthreading>.

4. 1 GB = one billion bytes. Actual formatted capacity will be less.

5. Not all models applicable. Registration required. See www.sony.com/IRSP for details.

6. Allocation of system memory to graphics varies depending on operating condition, version of device driver and total system memory size.

8. For some third party software, Sony provides initial support. Additional support may be available from the applicable vendor. Availability may vary by vendor.

10. Based on Sony engineering. Actual performance may vary considerably based on hardware configuration, software, power management settings, environmental conditions, wireless connectivity and other factors. Maximum battery capacity will normally

decrease with time and use.

12. Kaspersky Internet Security 30-day subscription is pre-installed on your Sony VAIO PC. You need to activate the software for the product to work. After your 30-days are finished, buy Kaspersky Internet Security to continue to be protected from cybercriminals, identify theft, viruses, and other threats.

13. Availability may be limited. See limited warranty for details. Features and specifications subject to change without notice. Non-metric weights and measures are approximate.

Certain Microsoft products included with this computer may use technological measures for copy protection. IN SUCH EVENT, YOU WILL NOT BE ABLE TO USE THE PRODUCT IF YOU DO NOT FULLY COMPLY WITH THE PRODUCT ACTIVATION PROCEDURES. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain re-installations of the software product(s) or reconfigurations of the computer and may be completed by Internet or telephone (toll charges may apply).

This product meets the standards of the International Energy Star Program for energy efficiency.
