Samsung Notebook  
 SERIES **ULTRA**  
 14.0"

Left View

Right View

Samsung recommends Windows® 7.

# Samsung Notebook SERIES 5 ULTRA 14.0"

## The high performing Ultrabook™

It has a **huge Hard Disk Drive** of up to as well as Express Cache **SSD** and integrated **Optical Disk Drive**

With the **Samsung Series 5 ULTRA** there's no compromise, as it's the perfect combination of performance and portability. It has brilliant 14.0" display and wakes in just 2 seconds. But it's still ultra thin and light and has a battery life of **7.0 hours**\*2.

Windows® 7. Your PC, simplified.

The best entertainment experience on your PC.

Windows® 7 Home Premium makes it easy to enjoy and share your favourite TV programmers, photos, videos and music.

Samsung recommends Windows® 7.

## Ultra performance

### Large storage you want

An ultra large capacity hard disk drive can store all of your favorite music, pictures and movies.

### Samsung Fast Solutions\*3

You can work and play even more efficiently – boots-up in 16.7 seconds\*4, wakes in 2 seconds and makes frequently viewed web pages run 2x faster.

### Entertainment anywhere

Enjoy the latest films, music and media with an integrated optical disk drive – unlike any other Ultrabook™ on the market.

### Expandable and upgradable features

Features 6GB of upgradable memory plus VGA and full HDMI ports and a security slot for maximum flexibility.

## Ultra portability

### The ultimate design for life on the move

Remarkably thin (20.9 mm) and light 1.81 kg so you can take it anywhere.

### Always on the go – without recharging

Delivers up to 7.0 hours\*2 of power and a battery life up to 1,500 cycles / 3 years.

### Professional durability & style

Features a sophisticatedly simple metallic aluminum exterior and a lightweight and durable fiber glass underside.

Samsung recommends Windows® 7.

## Ultra display

### High performance graphics

The latest Intel integrated graphics processor provides enhanced video playback

### Samsung superior display technology

Every photo, video, website and document just looks stunning with a brilliant 14.0" screen that's 50% brighter\*6.

### Maximum visibility – anywhere

An anti-reflective screen reduces eye strain by making it much easier to see and read things, even in bright sunlight.

\*1 SSD models are also available.

\*2 Battery life based on MobileMark test scores that will vary based on configuration.

\*3 Speed will vary depending on the configuration, applications used and wireless settings.

\*4 Boot-up time is based on HDD models. (10.5 seconds on SSD models)

\*5 Factory option.

\*6 Compared to 200 nit screen.
