

Samsung recommends Windows 8.

Exquisitely thin.
Deceptively powerful.

Samsung ATIV Book 9 Plus

Notebook PC with Best-in-Class Design, Mobility and Performance

Mobility and power are yours with the Samsung ATIV Book 9 Plus. With its stunning half-inch-thin profile and barely noticeable 3.0-pound weight, it easily travels wherever you do. Your traveling companion will have power, and lots of it. Rapid processing speed, a 5.9-second boot-up time and all-day battery life ensure you can stay productive and entertained all day, every day. The QHD+ touch screen delivers a best-in-class multimedia experience. And HomeSync Lite gives you a personal cloud to back up files, sync devices and share content instantly across your home network. The Samsung ATIV Book 9 Plus. Razor-thin has never been so powerful.

Powered by the Intel® Core™ Processor Family.

Samsung SideSync

With the Samsung SideSync desktop app, your PC and smartphone become one. You can use your phone as a second display, use your mouse and keyboard to work on both devices simultaneously, automatically sync files, and more.

Fast Intel® Core™ Processor

Get work done. Lots of work. The 4th generation Intel® Core™ i5-4200U processor speeds you through your favorite applications.

13.3" QHD+ Display

The SuperBright™ display (350 nits) is 75% brighter than standard notebook screens, and features an unprecedented resolution of 3200 x 1800 at 275 ppi. The result is outstanding richness and detail.

Start Even Faster

The ATIV Book 9 Plus lets you resume in less than a second and boot up in less than six¹. And since the SSD has no moving parts, it's faster and more reliable than a standard hard drive.

Discover Windows 8.1

With the new Windows, you can do more. You have more entertainment, more games, more ways to get stuff done, more ways to search, browse, and connect with the people you care about.

Samsung HomeSync Lite

It's your own personal cloud: Back up your ATIV Book 9 Plus, sync devices and instantly share your favorite music, movies and videos.
