

ASUS and YOU
Incredible Together

Measuring just 0.72" front and weighing just 3.2lbs, the artistically-crafted ZENBOOK Prime UX51Vz-XH71 notebook presents a delectable hairline spun metal finish with precision-etched concentric circles. With the 3rd generation Intel® Core™ processor, the ZENBOOK Prime has been optimized to offer a holistic approach towards combining beauty with speed, and balancing work with play.

This notebook is backed by the industry's most comprehensive warranty: covers accidental drops, spills, power surges and fire damage for the first year. For more information, visit <http://completewarranty.asus.com>.

UX51Vz-XH71

Windows 8 Professional helps businesses and enthusiasts improve efficiency and provides new features such as acting as a remote desktop server

ASUS Super Hybrid Engine II Technology provides long standby times and instant on 2-second resumption from sleep mode.

Exclusive ASUS SonicMaster audio technology, developed together with Bang & Olufsen ICEpower®. Sharper high notes, clearer vocals, deeper bass, and a wider sound range all impress, completing a remarkably attractive portable multimedia

Elegant design under 1" thick – fits everywhere in style!

3rd generation Intel® Core™ processor with Ivy Bridge and Intel Turbo Boost 2.0 Technology for the best visibly smart performance that adapts to your needs

Sleek brushed aluminum design for an understated style that protects from minor scratches and abrasions
