

## HP ProBook 6550b Notebook PC Tailored for Business

**A 39,6 cm (15.6") diagonal mainstream business notebook featuring Intel processors, a choice of UMA or discrete graphics, and optional vPro technology.**

Windows®. Life without Walls™. HP recommends Windows 7.

### **Tailored for business**

With a stylish design, the HP ProBook 6550b Notebook PC provides reliability, security and business-grade performance with an Intel processor and a 39,6 cm (15.6") diagonal HD <sup>1</sup>, LED-backlit display. Flexible configuration options, connectivity including optional HP Mobile Broadband <sup>2, 3</sup> and the new Central Management for HP ProtectTools keep you equipped for business.

### **Power, performance and graphics choice**

Intel® Core™ i7 and Intel® Core™ i5 processors deliver outstanding technology for intelligent performance on the most demanding tasks. And choose between UMA or high-performance discrete graphics, with Intel HD Graphics for responsive performance with rich media capabilities, or the ATI Mobility Radeon graphics processor which delivers an amazing visual experience with powerful performance on the go.

### **HP Professional Innovations help you focus on your business**

Built to protect. HP ProtectTools is a portfolio of customizable security solutions built into your HP business notebook.

Built to simplify. HP QuickLook <sup>3 4</sup> provides off-line read and write capability of e-mail, calendar, task and contact information in seconds at the touch of a button, without having to boot up. HP

QuickWeb <sup>5</sup> grants access to the web in seconds... even if your notebook is turned off.

Built to last. Features such as HP DuraFinish, the magnesium alloy support structure, HP 3D

DriveGuard and the spill-resistant keyboard with drains provide you with a reliable notebook that can go the distance.

Built to conserve. HP Power Assistant <sup>6</sup> is an easy-to-use tool which allows you to conserve power, stretch battery run-time, accurately monitor your reported power needs and report workforce power consumption.

THE  
COMPUTER  
IS PERSONAL  
AGAIN.

## Accessories and Services

### HP Bluetooth ExpressCard Mouse

Bluetooth based input device that is charged and stored in the notebook's Express Card slot. It's innovative design is paired with comfortable usage and is combining conventional mouse and presenter functionality with integrated laser pointer.

Product number: GK872AA

### HP Extended Life Battery

Need extra battery power for those longer periods away from your desk? Whether out of the office with a customer or just down the hall in a meeting room this handy companion can more than double your primary battery life.

Product number: AJ359AA

### HP 120W Advanced Docking Station

Robust desktop replacement solution for your mobile office with advanced features for future expansion.

Product number: NZ222AA

### HP Docking Station Cable Lock

The HP Docking Station Cable Lock is dramatically simpler to use than previous locks and delivers enhanced security. The HP Docking Station Cable Lock gives you two locking options: lock the docking station only (which also prevents access to the advanced docking stations drive bay) or lock both the docking station and the notebook.

Product number: AU656AA

### HP Business Nylon Carrying Case

HP Business Nylon Carrying Case is designed inside and out with features that will be appreciated by a mobile traveler. Made from durable nylon, the case offers a large topload compartment with plenty of room to organize materials, plus store business cards, cell phones and other supplies. It can carry a notebook up to 16.1 inch (40.89 cm) and also includes a neoprene pouch for a mini or thin-and-light notebook up to 12.1 inch (30.73 cm). Convenient outer pockets provide quick access to frequently used items, and can be closed with zippers and Velcro. Padding added to the handles and shoulder strap provide comfort as it is carried. Best of all, attach the HP Nylon Carrying Case to a rolling cart or suit case. A unique pass-through strap helps keep the case attached to the handle of a rolling cart or suit case, to avoid being lost or stolen.

Product number: BP848AA

### 3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely

Product number: U4386E
