HP Pavilion dv7 Series Entertainment Notebook PC
Experience High Definition and powerful entertainment in style

* Varies by model.

HP recommends Windows Vista® Home Premium.

Impressive innovations

- Style and strength that come with rich entertainment features
- Embellished with the HP Imprint in captivating Espresso Black
- Home-theatre class performance that goes wherever you go
- Double the power and double the space with up to 1 TB (via two 500 GB HDD) and the Intel® Core™ 2 Quad Processor
- Experience a home-theatre class audio system with SRS Premium Sound

POWER HAS A NEW LOOK

Touch your future now in the elegance of Espresso Black Imprint and illuminated magic chrome buttons. Replacing the desktop with mobile computing, the power of the HP Pavilion dv7 is yours to behold with sheens of metallic finishes and high-gloss surfaces. Plunge straight into action-packed entertainment with the seamless 17.3" high definition display that opens effortlessly to flaunt its flushed 16:9 widescreen panel. Equipped with built-in Blu-ray drive*, HDMI-connectivity and HP Triple Bass Reflex Subwoofer, the HP Pavilion dv7 Entertainment Notebook PC is the perfect adrenaline thrill for chasing your wildest dreams.

Lustrous and deliciously sleek, the 17.3-inch HD Flush Glass Display spans the entire width of the notebook with no visible seams, leaving you to simply experience sharp and vibrant visuals.

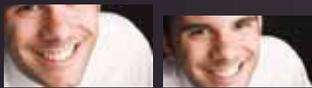

* Selected models only.

With everything in one place that's simply a click away, you can unleash your world of multimedia entertainment with HP MediaSmart software, giving you full control of your music, movies, photos and more.

The built-in HP ProtectSmart technology is a remarkable feature that automatically and effectively locks your hard drive, preventing the loss of your vital data, in case an accident happens. You can be assured of reliable protection for your personal information and media library.

Full screen on 16:10 Full screen on 16:9

Widen your perspective

Feast your senses on a whole new world of computing experience. The new 16:9 aspect ratio widescreen enables you to see even more details, pushing you far beyond the boundaries of your entertainment pursuits. Be enthralled by complete High-Definition* content in its native format without the hassle of re-scaling.

* HD content required to view HD images

Expressive inspiration

Drawing inspiration from liquid metallic industrial designs, the Espresso Black imprint pattern spins vibrant bursts of energetic impulses.

Exhilarating graphics

Loaded with the latest features and delivering up to three times the performance of previous generations of graphic cards, the ATI Radeon™ HD4650 with up to 1GB discrete memory, brings a new lease of life to the realm of HD games and visual realism.

Powerful computing on-the-go

The latest Intel® Core™ 2 Quad Processor is faster, cooler, quieter, and designed to handle massive compute and virtualisation workloads. Now you can do even more with your high performance multimedia features wherever you are!

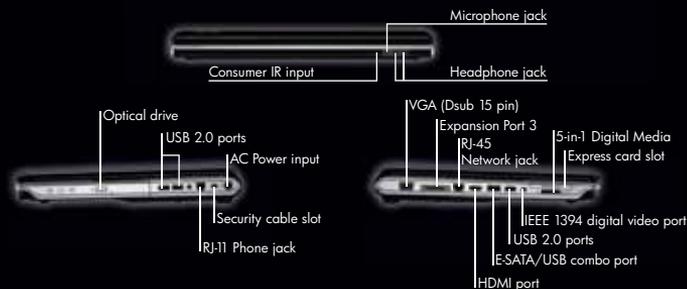

More room with Dual HDD

HP Pavilion dv7 supports up to 1 TB of hard drive space via two 500 GB drives, doubling your notebook's storage capabilities. With more movies to watch, more music to listen to, you definitely need more room!
