

# HP 250 G3 Notebook PC

Get connected with the value-priced HP 250 G3 Notebook PC. Complete business tasks with Intel technology, essential multimedia tools and Windows 8.1<sup>1</sup> loaded on the HP 250. The durable chassis helps protect the notebook from the rigors of the day.

HP recommends Windows.

#### **Built for mobile use.**

- Rest assured that the HP 250 can keep up with assignments on the run. The durable chassis protects the notebook so it looks as professional as you do.
- Carry the HP 250 from meeting to meeting. Enjoy the 15.6-inch diagonal HD<sup>2</sup> display's great view without sacrificing portability.

#### **Powered for business.**

- Confidently tackle projects with the power of Intel's 3rd generation Core i3 or Celeron processors.<sup>4</sup>
- Develop stunning visuals without slowing down your notebook, thanks to Intel's optional integrated graphics.<sup>5</sup>
- Connect with colleagues via the Internet and email at the office or your favorite hotspots with optional Wi-Fi CERTIFIED™ WLAN.<sup>6</sup>

#### **Extras that polish the experience.**

- HP, a world leader in PCs, now brings you Windows 8.1<sup>1</sup> on a full range of products designed to fit the needs of business. Get business-class security to protect data and devices. Your Windows 8.1 experience. Make it better with HP.
- From training to sales videos, view high quality multimedia right from your notebook using the preinstalled software. The integrated speakers bring you an extraordinary listening experience, too.
- Give presentations finesse when you connect to larger, HD<sup>2</sup> displays through the HDMI port.

## HP 250 G3 Notebook PC

### Accessories and services (not included)

#### HP 3005pr USB 3.0 Port Replicator

Everything you need every day, ready with one simple connection. The HP 3005pr USB 3.0 Port Replicator is our ultimate platform-independent hot desking solution. Get online, make up to six of your everyday USB devices immediately available, and expand your productivity with connection to two external displays—all through one USB 3.0 cable.

**Product number: H1L08AA**

#### HP Ultralim Keyed Cable Lock

Designed to fit industry standard lock slot on most HP notebooks

**Product number: H4D73AA**

#### HP Dual Hinge Notebook Stand

Turn your HP Business Notebook into a desktop solution by raising your computer screen to a comfortable level. A dual-hinged, smooth-motion display stand allows for greater distance, height and tilt adjustment for maximum comfort. The adaptable design of the HP Adjustable Display Stand accommodates notebooks that can be connected to a docking station and notebooks that do not have a docking connector. Integrated base rollers let you rotate the stand so you can more easily share your work.

**Product number: AW661AA**

#### HP Business Backpack

A backpack designed with the businessman or woman in mind. It has room for the largest HP 17.3" notebook and plenty of space for additional papers and accessories

**Product number: H5M90AA**

#### HP 3 year Next business day onsite Notebook Only Service

HP Hardware Support Onsite Service provides high-quality remote assistance and onsite support for your covered hardware, helping you to improve product uptime. You have the flexibility to choose between multiple predefined service-level options featuring several onsite response or call-to-repair time and coverage window combinations in various durations to address your specific service needs.

Service level options with call-to-repair times provide IT managers with support specialists who will quickly begin troubleshooting the system to help return the hardware to operating condition within a specified timeframe.

Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit [www.hp.com/go/cpc](http://www.hp.com/go/cpc). HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

**Product number: UK703E**

## Messaging Footnotes

<sup>1</sup> Not all features are available in all editions of Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8.1 functionality. See <http://www.microsoft.com>.

<sup>2</sup> HD content required to view HD images.

<sup>4</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>5</sup> Sold separately or as an optional add-on feature.

<sup>6</sup> Wi-Fi is an optional feature sold separately or as an add on feature. Wireless access point and internet service required and is not included. Availability of public wireless access points limited.

## Technical Specifications Footnotes

<sup>1</sup> Not all features are available in all editions of Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8.1 functionality. See <http://www.microsoft.com> for details.

<sup>2</sup> This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 8.1 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.

<sup>3</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>5</sup> For hard drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 8.1) of system disk is reserved for the system recovery software.

<sup>6</sup> Double-layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players. Note that this drive cannot read or write to 2.6 GB single-sided/5.2 GB double-sided – version 1.0 media. Don't copy copy-right protected materials.

<sup>7</sup> Wi-Fi is an optional feature sold separately or as an add on feature. Wireless access point and internet service required and is not included. Availability of public wireless access points limited.

<sup>9</sup> HD content required to view HD images.

<sup>10</sup> Discrete graphics memory uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs.

<sup>11</sup> Internet access required.
