

HP EliteBook Folio 1020 G1 Notebook PC

Starting at 1.2 kg / 2.68 lbs. and 15.7mm /.62 inches thin, the HP EliteBook Folio 1020 is an impressively thin and light business-class notebook. This durable travel companion is fully equipped with HP's leading security and manageability solutions.

HP recommends Windows.

- Windows 8.1¹
- 12.5-inch diagonal display

Sleek, slim, smart

- Show off a notebook that not only has the smarts, but looks the part with a stylish ultra-thin design crafted from CNC Aluminum and Magnesium alloy.

Streamlined security and management

- Rely on HP's industry leading security and comprehensive management solutions. Keep devices, data, and identities secure and easily managed with power tools from HP including HP BIOSphere,² and HP Touchpoint Manager.³

Tough and ready

- Confidently take on the rigors of everyday use and frequent travel with a resilient EliteBook engineered with no moving parts and designed to pass MIL-STD 810G durability tests for drop, shock, vibration and more.⁴

Give your fingers a break

- After hours of user studies, HP engineered the HP Premium Keyboard with a remarkable balance of comfort and feedback allowing users to concentrate on the task at hand.

Featuring

- Collaborate with colleagues around the world using a suite of features including HD web cam, immersive DTS Studio Sound™ with stereo speakers, dual-array microphone and HP Noise Reduction Software.
- Elevate your EliteBook experience by adding useful optional accessories like an ultra-slim docking station, Elite curved display, HP Slim AC Travel Adapter, wireless keyboard, and more.⁵
- See it all with brilliant clarity on a 12.5" diagonal FHD anti-glare non-touch display or stunning high-resolution QHD touchscreen option.⁵
- Keep your connection with WiDi,⁶ Miracast,⁷ and WLAN 802.11ac/Bluetooth® 4.0 combo.⁸ Plus, easily tether to your phone for mobile broadband on the road.
- Enjoy two USB 3.0 charging ports, a MicroSD expansion slot and HDMI video output.
- Take advantage of HP's Elite Support,⁹ limited warranty, and Global Series support.
- Simplify technical support with Helpdesk by HP Care Services. Rely on cost-effective expertise that's available 24x7, covering multiple brands, devices and operating systems.¹⁰

Battery Type	HP Long Life 4-cell, 36 WHr Li-ion polymer
Dimensions	31 x 21 x 1.57 cm
Weight	Starting at 1.21 kg (Weight will vary by configuration.)
Environmental	Low halogen ²²
Energy Efficiency Compliance	ENERGY STAR® certified configurations available
Expansion Solutions	HP UltraSlim Side Docking Station (optional); HP Docking to VGA + Ethernet Adapter (optional); HP Elite Leather Slim Top Load Case (optional); HP z6000 Premium Mouse

HP EliteBook Folio 1020 G1 Notebook PC

Recommended Accessories and Services

HP 2013 UltraSlim Docking Station

Quickly and easily expand your display, network, and device connectivity to customize an always-ready workspace with the HP 2013 UltraSlim Docking Station, a simple one-click, slide-in side dock for select ultraslim HP EliteBook Notebook PCs.

Product number: D9Y32AA

HP External USB DVDRW Drive

Connect the HP External USB DVD/RW to any available USB port on your PC to get immediate read/write access to your optical media.

Product number: F2B56AA

HP Dock Connector to Ethernet and VGA Adapter

Expand what you can do with your HP EliteBook Notebook PC by using its side dock connector to add Ethernet and VGA connectivity with a single handy adapter.

Product number: G7U78AA

HP Ultraslim Keyed Cable Lock

Secure your HP Ultrabook™ or laptop PC quickly and easily with the HP Ultraslim Keyed Cable Lock.

Product number: H4D73AA

HP 65W Slim AC Adapter

Be productive with the HP Slim 65W Combo Adapter, which can power your HP Business Notebook or Ultrabook™.

Product number: H6Y82AA

HP 90W Slim AC Adapter

Be productive with the HP Slim 90W Combo Adapter, which can power your HP Business Notebook or Ultrabook™.

Product number: H6Y83AA

HP 3-year Travel Next Business Day Onsite Notebook Only Service

Provides Next Business Day Onsite service for Notebook user in major geographies of the world for 3 years. For more information on Care Pack services, please visit www.hp.com/go/cpc

Product number: UC909E

Messaging Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.

² HP BIOSphere features may vary depending on the PC platform & configuration.

³ HP Touchpoint Manager supports Android™, iOS and Windows operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see www.hp.com/touchpoint for availability information. Touchpoint Manager requires purchase of a subscription. Out-of-band HP only Wipe, Lock, Unlock and reporting of BIOS boot error codes is planned to be available on select HP EliteBooks and requires Intel® vPro™ technology and functions in S3/Sleep, S4/Hibernate and S5/Soft Off power states.

⁴ MIL-STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. The HP EliteBook Folio 1020 G1 passed MIL-STD 810G testing for High Temperature, Low Temperature, Temperature Shock, Altitude, Humidity, Dust, Drop, Random Vibration, and Shock.

⁵ Sold separately or as an optional feature.

⁶ Integrated Intel WiDi feature is available on select configurations only and requires separately purchased projector, TV or computer monitor with an integrated or external WiDi receiver. External WiDi receivers connect to the projector, TV or computer monitor via a standard HDMI cable, also sold separately.

⁷ Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>.

⁸ Wireless access point and internet access required. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

⁹ Elite support only available in the US and Canada in English.

¹⁰ HP Care Services are optional. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Technical Specifications Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.

² This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 8.1 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.

³ Not available with touch

⁴ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

⁵ Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.

⁶ For hard drives and solid state drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 16GB (for Windows 7) of system and up to 30 GB (for Windows 8.1) disk is reserved for system recovery software.

⁷ Internal component upgrades for storage and drives are not available after factory configuration.

⁸ Wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.

⁹ Bluetooth™ 4.0 is available on Windows 8.1 operating system only.

¹⁰ 802.11 + Bluetooth combos sold separately or as an optional feature. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

¹² NFC sold separately or as an option and will ship enabled by default on Windows 8.1 and disabled by default on Windows 7.

¹³ High definition (HD) content is required to view high-definition images.

¹⁴ Touchscreen increases starting weight to 3.72 lb and height to 17.1 mm. Touch panel has chemically-strengthened Corning® Gorilla® Glass 3 top cover.

¹⁵ HP ePrint requires an internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/businessmobileprinting)

¹⁶ The HP Wireless Hotspot application requires an active internet connection and separately purchased data plan. While HP wireless hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows 8.1 or HP Connection Manager for Windows 7.

¹⁷ HP PageLift requires Windows 7 or higher edition.

¹⁸ HP Touchpoint Manager supports Android™, iOS and Windows operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see www.hp.com/touchpoint for availability information. Touchpoint Manager requires purchase of a subscription. Out-of-band HP only Wipe, Lock, Unlock and reporting of BIOS boot error codes is planned to be available on select HP EliteBooks and required Intel® vPro™ technology and functions in S3/Sleep, S4/Hibernate and S5/Soft Off power states.

¹⁹ File Sanitizer: For the use cases outlined in the D0D 5220.22-M Supplement. Does not support Solid State Drives (SSDs). Initial setup required. Web history deleted only in Internet Explorer and Firefox browsers and must be user enabled. With Windows 8.1, user must turn off Enhanced Protection Mode in IE11 for shred on browser close feature.

²⁰ Foxit PhantomPDF Express for HP is read only

²¹ Firmware TPM is version 2.0. Hardware TPM is v1.2, which is a subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT).

²² External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
