NVIDIA® NVS WITH OPTIMUS™ TECHNOLOGY
FOR EXCEPTIONAL GRAPHICS PERFORMANCE
AND LONGER BATTERY LIFE

The Lenovo ThinkPad T530 is a lightweight and feature-rich notebook built for mobile professionals. The notebook is best suited to professionals completing tasks on the go, running between meetings, or travelling frequently. The 3rd Generation Intel® Core™ processors give the power to unlock high performance. The Intel® HD4000 and NVIDIA® Optimus™ graphics provide stunning visuals as well as longer battery life.

Work with great comfort, anywhere, anytime, without straining your eyes on the HD, HD+, or Full HD anti-glare screens. Get ahead and stay ahead of your competition with an extensive portfolio of features and options geared to increase productivity. The ThinkPad T530 is durable with reinforced carbon fiber cover and tested against military specifications. In addition, the notebook is reliable with the latest technology for data security along with the industry's best service and support.

The ThinkPad T530 is a complete enterprise-ready notebook with powerful performance, mobility, and reliability that businesses need.

LENOVO ENHANCED EXPERIENCE 3 FOR WINDOWS® 7. FASTER AND OPTIMIZED FOR BUSINESS.

Fast and optimized for multimedia: Lenovo Enhanced Experience 3 for Windows® 7 uses RapidBoot technology to start your PC 40% faster than a typical Windows® 7 computer*. And BootShield maintains fast boot performance even after installing multiple applications. Plus, you can enjoy richer sound and HD webcams. Find out more at www.lenovo.com/win7ee

*Available on certified models with Intel® Core™ i3, i5 or i7 processors. Claim is calculated by taking the average of Lenovo EE3 notebooks and desktops, and compares it with averaged data from 49 competitor products of similar configuration (Intel® Core™ i3, i5 and i7 PCs only). Testing conducted by CNET Labs, Beijing in December 2011, using the independent VTS tool to measure start-up time and other performance measurements. Performance will vary by model and configuration.

Lenovo® recommends Windows® 7 Professional.

BEST IN PERFORMANCE

- Faster processing, faster performance with up to 3rd generation Intel® Core™ i7 processors
- Better Performance with Genuine Windows® 7 Professional
- Improved processor performance with increased processing speed using Turbo Boost+ technology
- Stunning visual experience with up to 100% graphics performance improvement with Intel® HD4000 graphics
- All-day battery life* – up to 24 hours with external battery pack

BEST IN CONNECTIVITY

- High data transfer on USB 3.0 with a transmission speed up to 10 times faster than USB 2.0
- External media and data connectivity with VGA, mini DisplayPort with audio, USB, 4-in-1 SD Card Reader, and 34mm ExpressCard

BEST IN COMMUNICATION

- Polycam ready for video conferencing, voice conferencing, data and online communication
- Noise cancelling dual-array microphones with automatic optimization eliminates background noise
- Talk and type keyboard noise reduction technology suppress key strokes when on Internet calls
- Easy microphone, speaker, and camera mute buttons provide faster user controls
- 720p HD camera with face tracking allows you to multitask and stay in frame
- Dolby® Advanced Audio™ 2.0 for greater surround sound and enjoyable audio quality

BEST IN RELIABILITY

- Rugged design that passes eight MIL-SPEC tests and ThinkPad torture testing
- Best enterprise-class security with enhanced Fingerprint Reader, Lenovo Hardware Password Manager for BIOS, and Intel® vPro™ support
- Legendary ThinkPad reliability backed by a wide variety of onsite warranty upgrades and accidental damage protection

LENOVO ENHANCED EXPERIENCE 3 FOR WINDOWS® 7.

Optimizes data security with robust features like:

- Self-encrypting drives that protect data on the hard disk drives in case of loss or theft
- Hardware Password Manager for central security management of self-encrypting drives
- Built-in Fingerprint Reader¹ to switch on the laptop and log on in one swipe
- BIOS Port Lock to disable all input and output ports remotely without any additional hardware
- USB Blocker² to identify and block different types of USB devices connected to the system

Provides superior web conferencing with:

- Keystroke noise suppression, high-quality webcam, and superior dual digital array microphones

SERVICE OFFERINGS

Lenovo offers a comprehensive portfolio of award-winning services to support and protect your ThinkPad investment. Succeed with substance, and let Lenovo's Service support you all the way.

- **Warranty Upgrades - Onsite and Next Business Day**
Maximizes PC uptime and productivity by providing convenient, fast repair service at your place of business.
- **Warranty Extensions (1 to 5 Years Total Duration)**
This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.

• **Accidental Damage Protection**

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

• **Keep Your Drive**

Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure.

• **Asset Tagging**

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.

* Actual battery life is based on usage

¹ Fingerprint reader is as an optional feature available on most configurations.

² Only available on select ThinkPad Classic machines
