MIL-STD 810G and IP65 compliant

Backlight Keyboard

Dual Pass-thru RF

Customizable Media Bay

Industry's best 5 year bumper-to-bumper warranty

Windows®. Life without Walls™. Getac recommends Windows 7.

The Getac B300 Fully Rugged Notebook

The B300 rugged notebook offers two processor options including the powerful Intel® CoreTM i7 2.3GHz processor. Turbo Boost Technology up to 3.2GHz gives processor-intensive applications an extra performance lift. And, the 4MB of Intel® Smart Cache, readily available to each of the processor cores, ensures maximum performance.

The B300 is MIL-STD 810G and IP65 compliant and embraces several advanced security features to safeguard important data including a fingerprint scanner, TPM 1.2, and an optional smart card reader. A host of connectivity options are available including Bluetooth®, WLAN, GPS and 3G. And, the dual battery option provides up to 30 hours of battery life on a single charge.

Additionally, the B300 features an ultra-bright 13.3 inch sunlight readable display. The optional 1400 NITs QuadraClear™ sunlight readable LED display, leads the industry with an unmatched effective contrast ratio that makes the B300 the ideal choice for daylight viewing. The Getac B300 is covered by the industry's best 5 year bumper-to-bumper warranty for peace-of-mind reassurance.

The B300, with its rugged design and powerful software tools, is built to handle the task wherever your job takes you.

Warrantv 5 Year bumper-to-bumper warranty standard[‡]

Standard and optional features vary depending on purchased configuration. Specifications subject to change without notice.

Battery life testing conducted under BatteryMark 4.0.1. Battery performance will vary based on software applications, wireless settings, power management settings, LCD brightness, customized modules and environmental conditions. As with all batteries, maximum capacity decreases with time and use and may eventually need to be replaced by a Getac service provider. Battery life and charge cycles vary by use and settings. 24 hours rated battery life rating requires optional media bay 2nd battery.

* Requires MIL-STD 461F 90W AC Adapter sold separately.

†† Weight varies by configuration and manufacturing process
