PadDock™ Flex

Universal Tablet Stand

Use your Apple® iPad®, iPad Mini, iPad Air, Android®, Kindle® or other mobile tablet anywhere with the new PadDock™ Flex Universal Tablet Stand.

With its sturdy metal construction and rugged slip-free silicone pads, PadDock™ Flex securely holds all 9" to 11" standard and 7" to 9" mini-sized tablets, as well as all Apple iPhones® and other popular smartphones.

By design, the PadDock Flex™ is both versatile and sturdy, supporting vertical and horizontal screen orientations through a wide range of viewing angles.

- **Portable stand for mobile tablets and smartphones**
- **Sturdy aluminum construction with non-skid silicone pads**
- **Supports horizontal and vertical screen orientations**

PadDock™ Flex

Universal Tablet Stand

For Mobile Tablets

The PadDock™ Flex Universal Tablet Stand holds all Apple® iPad® models, as well as all other popular mobile tablets, precisely and securely. A rotating hinge provides a wide range of viewing angles, while Flex's aluminum frame and silicone pads ensure stability.

Phones & Smartphones

When using the PadDock™ Flex Universal Tablet Stand with iPhones and other smartphones, simply invert the stand orientation (shown left), and adjust for the best viewing angle--perfect for conference calls, Skype and extended phone meetings.

For Movies and More

Whether you're watching movies on your iPad®, listening to music, or simply answering your email, the PadDock™ Flex Universal Tablet Stand holds your mobile tablet securely--so you don't have to. Add a wireless keyboard, and your tablet becomes a mobile workstation.
