THZ458US | Versavu Classic for iPad® Air- Black

The Versavu Classic 360 for iPad Air transforms how you interact with your device. Featuring a patented rotational stand, the case offers portrait and landscape viewing angles, as well as a low angle for typing. The durable shell protects your device from scratches and dust and the elegance of the design is apparent in everything from the topstitching to the stylus pocket.

Security Straps - Elastic strap secures case
