

# NotePal X-LITE II

## Slim Laptop Cooling Pad

The NotePal X-LITE II is our thinnest X-LITE ever! At only 28mm thickness (supporting notebooks up to 15.6"), this laptop cooler is built from metal and uses a 140mm fan which can be adjusted on-the-fly with a build-in speed controller. You can also use the extra 2 USB ports to charge your devices or load up external accessories. The X-LITE II is small, light weight and great for travelling.

### Features

- Silent 140mm fan for laptop cooling
- Ergonomic design for best viewing / typing angle
- Ultra slim, only 28mm thin
- 2 USB outputs (USB Hub version only)
- Fan Speed Controller
- Elegant metal plate for better cooling performance
