

Samsung GALAXY Note™ 10.1

The advanced S Pen gives you a real pen experience. Its sensitive pressure lets you write, draw, and even paint with accuracy. Push the button on the side and you can interact with exclusive apps for cropping and pasting images, creating digital memos, editing photos and videos, or controlling games. The S Pen is a whole new way to be more creative and productive on the go.

PRODUCT HIGHLIGHTS

- Compatible with S Pen optimized apps on Note™ 10.1 such as: S Note, Polaris Office, Photoshop® Touch
- Create personal and impactful images with the freedom of a pressure-sensitive pen
- Write directly on 195,000 e-textbooks with the Kno app
- Includes 5 additional pen tips (3 rubber, 2 plastic) for different writing experiences

HELPFUL HINTS

While pressing the S Pen button:

- Drag the S Pen to the left to return to the previous screen
- Drag the S Pen down to open a list of options available on the current screen
- Tap and hold the screen to capture a shot
- Double tap the screen to launch a quick note function
