

Toshiba 10" Tablet Multi-Dock with HDMI

Part#: PA3934U-1PRP

Description

Store, view and charge your Toshiba 10" Tablet, quickly and conveniently, with the Toshiba Multi-Dock with HDMI.

The Multi-Dock has an HDMI port built-in to connect directly to your HDTV or LCD monitor and view HD content. The dock also includes two USB 2.0 ports, for connecting a variety of accessories*, and a 3.5mm audio out port for enhanced listening pleasure through headphones or speakers.

The Multi-Dock's small footprint and rubber footing make it perfect for the living room, bedroom, office, study, kitchen, dorm room or virtually anywhere. It has an angled design for movie watching, photo viewing, web surfing, emailing, updating your social network site, playing games, or enjoying whatever your favorite HD digital content might be.

Docking and undocking is a breeze with the easy access top-load proprietary connector. Just drop it in and let the fun begin!

*Not all USB devices are compatible. Check with the manufacturer of the USB device for compatibility with Android Platform.
