

Toshiba 10" Tablet Battery Pack

Part #: PA3884U-1BRR

Description

Increase your freedom and boost your mobile productivity with the Toshiba Tablet Battery Pack. Use it as an additional battery to increase your 'tablet-time' or replace the original that came with your tablet. Unlike other tablets, the Toshiba tablet battery is user-replaceable - no need to send it back to the manufacturer to be replaced. Simply remove the back cover and switch it out in seconds. While plugged in, the tablet can charge the rechargeable Lithium Ion battery up to 90% capacity in as little as an hour and a half*.

This battery pack meets or exceeds the specifications of the original battery that came with your tablet and interfaces with the TOSHIBA Power Saver Utility on the tablet which features a charge indicator to help you monitor the available power.

Product Features

- User replaceable; Snaps in and out of the battery slot in seconds
- Genuine Toshiba quality and reliability
- Extend the life of your Toshiba tablet.
- Meets or exceeds the specifications of the original battery that came with the notebook
- An additional battery pack provides extended power to work and play without worries
- Get a spare to extend the battery life on the go for watching movies, listening to music or web browsing.
