

Toshiba 10" Tablet Portfolio 360 Case

Part #: PA1495U-1TWC

Description

Get the most out of your tablet experience with the Toshiba Tablet Portfolio 360 Case. The patent-pending rotating design enables you to position your tablet at multiple viewing angles in both landscape and portrait mode without removing the tablet from the case. It's perfect for movie watching, viewing photos and emailing while in landscape mode and then easily rotates into portrait mode for eBook reading, web surfing and video chats.

The form-fitting open design allows easy access to the controls and built-in ports on the tablet - On/Off switch, volume control, DC-IN, Audio, HDMI, USB, mini-USB and SD card ports – while the durable hard-shell construction and sturdy reinforced base provides stable support in either mode. There's even a cutout for the camera to take photos and video while in the case.

The Portfolio 360 cases' elegant design in protective synthetic leather is stylish and the hard-shell exterior construction and retractable magnetic snap closure helps keep your tablet safe and secure while optimizing everyday productivity.
