VS4221

2 Speakers + 1 Subwoofer

ALTEC LANSING®

POWERED AUDIO™

STEREO

Just listen to this!™

High Style! High Performance!

Forget modesty, we really did it this time. The new Altec Lansing VS4221 speaker system is a stunner. Judge it by its specially engineered micro drivers that deliver crisp, clear highs. A down-firing 3" driver for a warm, uniform sound around the room. And, of course, the long-throw subwoofer that packs powerful enough bass to register on the Richter scale. The result is a rich, robust sound that very few systems can match at any price. And just look at it! The Altec Lansing VS4221 system is sleek and beautiful. A pivoting stand allows you to orient the micro drivers so they direct sound straight to your ears. And a convenient wireless remote and caddy put the controls right at your finger tips. High performance. High class looks. The new Altec Lansing VS4221 system is the perfect package.

VS4221 with wireless remote

2 Speakers **+1** Subwoofer

Powerful sound – Experience what great performance is all about!

Exceptional sound dispersion – Our uniquely concealed midrange driver fills the room with richly diffused, accurate sound – you'll enjoy clean mids anywhere in the room.

Crisp high end – Specially engineered Micro Drivers on pivoting stand reproduce highs with thrilling clarity and deliver sounds straight to your ears.

Impressive bass – Feel shakes and quakes from the front-firing, long-throw subwoofer housed in a solid-wood cabinet.

Wireless Control – Stand-by, master volume, bass, treble, and loudness are at your fingertips with a wireless remote. Just sit back and enjoy!

Revolutionary, low-profile design – Looks great and fits virtually anywhere.

Also features – Built-in controls with power on/off and volume, a headphone jack, built-in RCA inputs for your TV or video gaming system, shielded satellites for use near PC monitors, and color-coded cables for easy installation.
