2150 Speaker System
USB, 2 Speakers
Part No.: 161725

Small size but rich, full sound.
Full-range speakers deliver exceptional sound for desktop use. The 2150 Speaker System makes a versatile PC speaker replacement choice for use at home or the office. The compact size and convenient USB power that requires no external power source also makes them an ideal notebook computer companion. The Manhattan 2150 Speaker System includes quality components with simple, direct controls and an attractive design.

Features:

- Full-range, USB speaker system
- Volume control and LED power indicator with cloth grilles
- Shielded to prevent distortion and maintain clear, crisp sound
- Lifetime Warranty
