

Xerox DocuMate® 3460

Fast and Easy Scanning for Documents and Plastic Cards

- Scans plastic cards from Front Feed Tray
- Scans documents at 60 ppm and 120 ipm in duplex*
- Visioneer OneTouch® scanning to multiple applications including Microsoft SharePoint
- Kofax VRS delivers perfect scans from imperfect originals
- Smart Ultrasonic Double Feed Detection™
- Create searchable PDF files to make it easy to find scanned documents

* Up to 120 ipm at 200 dpi, black & white

Xerox DocuMate 3460

The DocuMate 3460 is a high speed and technologically advanced DocuMate and the easiest to use scanner among its competitors. It is packed with features that will change how you look at and manage paper documents and information.

Work Easier

The DocuMate 3460 is powered by Visioneer OneTouch® technology to scan documents to up to 9 preset, yet completely configurable destinations. This enables your document to be scanned with the proper settings for resolution, color, duplex, auto-crop, auto-straighten, file format and then delivered to virtually any application, folder or device – in one touch of a button! Integrated with Kofax® VRS™ (Virtual ReScan®) technology, imagine the workflow possibilities of delivering perfect scanned paper documents in a searchable PDF format to email or Microsoft SharePoint® or a custom web application for your enterprise, all at the touch of a button. Not only is this a productivity gain but greatly reduces the training requirements for scanner users, further helping your return on investment.

Work Flexible

You don't always know what documents you will need to scan next – you might have clean laser quality pages today but tomorrow there maybe multi-colored forms, embossed ID cards, varying sizes of paper. The DocuMate 3460 handles it all. The 50-page automatic document feeder (ADF) makes short work out of any stack of paper of varying size.

The front feed tray on the DocuMate 3460 handles scanning plastic cards, such as driving licences, not only increasing the card scanning efficiency, but drastically improving roller wear, making it an extremely cost-effective solution.

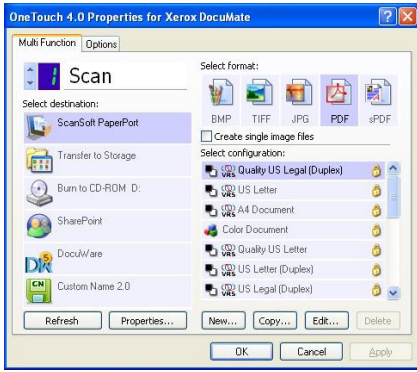

Work Smarter

Smart Ultrasonic Double Feed Detection is built into the DocuMate 3460 so that you'll never miss a page due to a misfeed or a stapled document going through the scanner.

Kofax VRS is integrated into the scanner driver so that you get perfect scans from imperfect originals. VRS also eliminates the need to rescan documents through automatic cropping, straightening, brightness control and edge clean-up. All this is also integrated into Visioneer OneTouch so your entire scanning requirements are achieved at the touch of a button. In the end, paper becomes information and flows through the organization under your control.

Xerox DocuMate 3460

Visioneer OneTouch

Visioneer OneTouch is an easy to use utility that connects the buttons on the DocuMate scanner with a powerful set of scanner settings to greatly improve the efficiency of your workflow – so that with one touch, the document is scanned automatically to email, or Word, or your printer, or simply a file folder.

In addition to scanning direct to all popular destinations, Visioneer OneTouch also links the DocuMate 3460 with industry-leading document management software, such as, Microsoft Sharepoint®, DocuWare & Xerox DocuShare – forming an easy to use workflow from paper to a selected destination. A Software Development Kit (SDK) is also available which provides the ability to develop specific links and integrate them into the Visioneer OneTouch control panel quickly and easily.

Choose Kofax VRS Basic or Pro

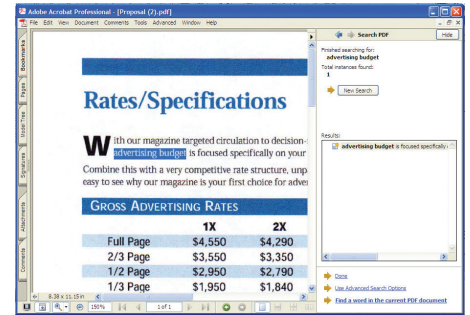

Visioneer OneTouch with Kofax VRS technology is an integrated software solution that combines the ease of Visioneer OneTouch scanning, with the superior image quality achieved with Kofax VRS. Kofax VRS is an award winning, patented technology that automatically insures the best possible image quality and OCR accuracy for scanned document images. As pages pass through the scanner, VRS performs a multipoint inspection of each document, instantly checking and adjusting alignment (skew), brightness, contrast, and image clarity.

Nuance OmniPage Pro

Provides a precise OCR and layout retention solution, quickly turning scanned documents into editable, formatted text. The text can then be used in virtually any word processing, desktop publishing or web publishing program.

Text Searchable PDF

Transform volumes of paper or photos into organized digital files that can be quickly found, used and shared. In PDF format, the user can instantly search documents for keywords or phrases. This provides additional archival benefits beyond traditional storage, and the widely accepted PDF format lets everyone view and print documents – on any computer.

Nuance PaperPort

Millions of professionals rely on PaperPort to save time and money by transforming paper documents into searchable digital documents. PaperPort combines the efficiency of document management, the convenience of superbly scanned documents and the power of creating PDF files, to bring a new level of operational proficiency to your organization.

DocuMate 3460

Model Number	XDM34605M–WU
Model Number with VRS Pro	XDM34605M–WU/VP
Scan Speed	
Black & White, 200 dpi	60 ppm simplex / 120 ipm duplex
Color, 200 dpi	60 ppm simplex / 120 ipm duplex
Embossed ID Card, Black & White, 200 dpi	2.7 seconds, duplex
Embossed ID Card, Color, 200 dpi	8.5 seconds, duplex
Optical Resolution	Up to 600 dpi
Output Bit Depth	24-bit color, 8-bit grayscale, 1-bit black & white
Scan Method	Duplex CCDs (charge coupled devices)
Interface	Hi-Speed USB 2.0 (USB 1.1 compatible)
Dimensions	13"(w) x 6.5"(d) x 6.38"(h) (330 x 165 x 162 mm)
Weight	9.4 lbs. (4.3 kg)
ADF Maximum Document Size	8.5" x 38" (216 x 965 mm)
ADF Minimum Document Size	3.5" x 2" (89 x 51 mm)
ADF Capacity	50 sheets (20 lb., 75 g/m ² paper)
Duty Cycle	3000 pages/day

Product Specifications

Minimum System Requirements

- Pentium IV or equivalent
- Windows 7/ Vista / XP
- 512MB RAM (1GB for Windows 7)
- 350MB free hard disk space
- DVD-ROM drive
- USB Port

Contents

- DocuMate 3460 Scanner
- Power Supply
- USB 2.0 Cable
- Quick Install Card
- Technical Support Card
- Paper Input, Output & Front Feed Trays
- Spare ADF Pad Assembly
- DVD-ROM including:
 - User's Manual
 - Kofax VRS
 - Visioneer OneTouch
 - Nuance PaperPort
 - Nuance OmniPage Pro
 - EMC/Captiva QuickScan Pro (Demo)
 - Scanner Drivers (TWAIN, ISIS & WIA)
