Crushing explosions, screaming commands – with the X-Tatic SR you become a fundamental part of the action!

Find Your Enemies!

The Dolby® headphone functionality of the X-Tatic SR creates a completely new sound dimension, which provides you with a pivotal combat advantage for multi-dimensional detection.

Stay in Contact!

The X-Tatic SR supports chat applications from PS3™ and Xbox®, so that you can smoothly chat and triumph with your team.

Designate the Area of Operations!

Regardless of whether it's a PS3™, Xbox® or PC, the X-Tatic SR allows you to connect to all major platforms with its extensive accessories collection.

Enjoy the Commitment!

The X-Tatic SR offers all amenities you may expect from a modern headset with its cushioned headband, its individually adjustable, padded headphones and the flexible microphone.

Stay Independent!

The X-Tatic SR is powered via USB – no additional power supply hinders your mission.
